

A warm summer welcome to you from the Township Supervisors & Staff.....

Fall 2017

It has been a very busy spring and summer in Guilford Township with roads and maintenance projects, keeping Norlo Park beautiful, increased building and development, and keeping up with Federal and State unfunded mandates. Through these everyday challenges Guilford continues to thrive and be viable.

Another daunting task overshadows us as we endeavor to fill our Zoning Officer position.

Wayne Statler has served Guilford Township for close 39 years (five years as SEO, fourteen years as Engineer and twenty years as Zoning Officer). Wayne has been a phenomenal asset to Guilford Township sharing his incredible wisdom knowledge and insight. We are sad to see Wayne step away from this position, we will surely miss him but we wish him the best in this next phase of life. Wayne, "Happy Retirement".

Norlo Park has been overflowing with excitement this spring and summer as guests and residents come to share the beauty of our amazing park. It is exciting to stroll through the park at any given time and hear the sound of laughter and excitement as friendly competition is engaged in at any one of our sports facilities whether soccer, basketball, volleyball, softball, tennis, kickball, or horseshoes. To hear the train run around the track, and to see the children enjoying the playground equipment, or to see families sharing a picnic in one of the pavilions. Norlo Park is bustling with activity. The Community Center and Barn have experienced overwhelming interest as there has been hardly a weekend that they have not been utilized.

We want to remind you that on September 1st the office will begin taking 2018 reservations for the Community Center, Barn and Pavilions. They will be taken on a first come first serve basis beginning at 8:00 am. No call in reservations will be accepted until the walk-ins have all been addressed, so come early to secure your spot.

Norlo Foundation continues to grow from generous donations, some are one time donations others are recurring. If you have not had the opportunity to contribute to this very worthwhile cause please consider your tax deductible donation today.

May Guilford Township be a blessing to you as you are to her. As always, it is a pleasure serving Guilford Township.

Sincerely,

Don Clapper
Chairman
